Hi Michael,

I have one more name for your to research. We're looking to use an up & coming comedian to act as emcee at the regional and national events and then give him/her 10-15 minutes to do some of his/her act.

The person we're seriously considering right now is Leslie Norris.

Please let me know if you find anything that would prohibit us from using her in connection with the dance showdown.

Thanks,
Kathy
